

6 VACANCIES IN COORDINADORA INFANTIL Y JUVENIL DE TIEMPO LIBRE DE VALLECAS

"Coordinadora Infantil y Juvenil de Tiempo Libre de Vallecas" (www.coordinadora.org.es) is a non-profit organisation created by youth organisations which work with children and young people with less opportunities from the neighbourhood of Vallecas, Madrid, Spain. There are more than 20 associations in Coordinadora Infantil y Juvenil de Tiempo Libre de Vallecas— every volunteer will be placed in one of them (find below further info about every hosting association). Volunteers will also spend part of their time supporting activities in project Europa Joven Madrid.

Since June 2005 Coordinadora has been in charge of the implementation and management of Europa Joven Madrid (European Youth Centre of Madrid: www.europajoven.org) for the Madrid City Council.

This centre offers information about mobility opportunities for young people: work, studies, travel, languages, voluntary work... in Europe! We organize information sessions about EVS, and we send and host EVS volunteers every year. We are also a local desk of Eurodesk (www.eurodesk.eu), the European Youth information network supported by the European Commission.

YOUR ACTIVITIES

You will support activities for children developed in one of the associations of Coordinadora Infantil y Juvenil de Tiempo Libre de Vallecas and activities and office work in Europa Joven Madrid.

GENERAL VOLUNTEERS' TASKS IN THE HOSTING ASSOCIATIONS

- ✓ Helping students with their school homework.
- Organising and carrying out weekend trips and summer camps

The volunteers will have an active role in the team meetings, the preparation of activities, planning, meeting with the educators and volunteers, and their opinions will also be considered.

We expect initiative from the volunteers, bringing their own ideas and proposals to enrich the project.

TASKS IN EUROPA JOVEN MADRID

There are two types of activities: A few volunteers spend more time in the office and less time with the children in their organisation. The others spend more time with the children and less time in the office. Therefore the volunteers will carry out different tasks in the office.
