#### Some words about Bolzano

Bolzano-Bozen is an autonomous province situated in North Italy with having its borders to Austria and Switzerland.

Together with Trento, it makes up the region of Trentino Alto Adige/Südtirol one of the five autonomous regions in Italy.

Bolzano happens to be a unique example of cohabitation with hosting Austro-Hungarian originated inhabitants as majority of its population who speak an Austro-Bavarian dialect of German, about a quarter of the province is Italian-speaking and a small minority speaks Ladin as mother tongue, while both Italian and German are the official languages of Bolzano-Bozen, As a result of sheltering a multilingual and multicultural population, Bolzano happens to be one of the most important examples of 'coexistence atmosphere' in the territory of Italy.

The province in total has more than 500.000 inhabitants and hosts the Free University of Bozen which makes it easier to find free time activities compared to the rest of the smaller Italian cities. Bolzano is also blessed with the luck of being situated among the Alps and the Dolomites which were declared as world heritage by UNESCO in 2009. The town of Bolzano is in easy commute to Trento, where InCo is :-), in about 40minutes by train and in about 1,5hours to Innsbruck, Austria.
