# Basic info

“ESC Project” is another edition of our ESC long-term educational projects. A group of 26 volunteers from ESC partner countries come to Kielce, Poland, to work in different educational **institutions: primary schools, kindergartens and a youth center, cultural institutions, and our office throughout the whole school year of 2021/2022.**

The volunteers shall start the 10-month long activity , you can join us asap ;)

**Help is needed in the places:**

- **educational**
- **cultural institution**
- **office & action volunteering**

Generally, the volunteer works in his workplace 6-7 hours a day, Monday-Friday. The daily work time includes time for preparation to work. Sometimes volunteers are involved in some special events that take place on the weekends, but weekly work time remains 30-38 hours , according to the principles of ESC.

We do our best to make volunteers’ tasks more diverse and engage them in other various activities organized by Regional Volunteering Center, such as happenings, visits in other partner institutions, volunteering in festivals, events and many others. During summer holidays volunteers usually work at summer camps for children and youth and support other RCW partners wherever animation of children is needed.

# Basic info

Each volunteer supports the daily operation of his workplace by delivering various non-formal education activities to children. These can be for example:

**intercultural activities , aiming to develop**

knowledge of the world (especially Europe and volunteer's country of origin) and to promote European values such as solidarity, equality, tolerance, democracy, diversity, etc.

**language activities , mainly of English**

language, possibly also volunteer's native language - always delivered in the form of non-formal education activities - games, plays, learning in practice etc.

other activities , depending on the volunteer's skills and interests: sports, musical, art, dance or any other!

- activities that stimulate ecological sensitivity, **promote sustainability and pro-environmental attitudes** , incl. art classes with the use of recycled materials, frequent outdoor activities, or joint work in educational gardens;
- **servicing with individual help to children with disabilities and fewer opportunities** - assisting in learning, playing and integrating with the rest of their peers (3 host institutions are schools and kindergartens with integration departments) preparation of special events for entire communities of host institutions, such as family picnics, Day of Europe, celebrations of national holidays and others. They engage and integrate not only groups of children of different ages, but also their families and staff of each kindergarten/school.

# About us

**Phone:** +48 41 362 14 12

---

Regional Volunteering Center for more than 15 years promotes active citizenship through volunteering and many other activities, especially among youth. Since 2011, we have been increasing our international activity by realizing Erasmus+ projects, and for 7 years now we have hosted dozens of international volunteers in the framework of ESC (previously EVS).

We're one of the region's leading NGOs by the number of undertaken activities and experience. We're also a group of young people and friends who truly believe in the mission of our organization.

For more, please have a look at the information on our website: [centrumwolontariatu.eu/en](http://centrumwolontariatu.eu/en)

# What to bring?

**ID card or passport**

**Activity agreement**

**European health insurance**

## CIGNA Insurance

- ✘ From 1st August 2015 European Commission has chosen a new provider of insurance for volunteers going on their ESC projects.
- ✘ With this insurance, you have covered all the pharmacy expenses during your stay, which means if you're going to see a doctor you don't have to pay any fee.
- ✘ Also for more information on what is covered with Cigna insurance you can email the question or look it up on this webpage: [https://www.salto-youth.net/downloads/4-17-3248/EVS\\_Cigna\\_GUIDE.pdf](https://www.salto-youth.net/downloads/4-17-3248/EVS_Cigna_GUIDE.pdf)

## European self-insurance card

If you are a citizen of the EU, you can have a European Health Insurance Card. It is highly recommended to obtain it before your arrival to Kielce because you don't have to pay for the examination in advance

Read more about European health card and information about how to obtain it:  
<http://ec.europa.eu/social/main.jsp?catId=559&langId=en>

## Local economy

- Kielce - the capital of the Świętokrzyskie Province is one of the most dynamically developing cities in Poland
