

ESC volunteering project in a healthcare training institute 2022/2023

- LOOKING FOR 1 VOLUNTEER
- COUNTRY: FRANCE
- CITY: BREST
- DATES: 29/08/2022 - 29/06/2023
- ONLY FOR EU CANDIDATES

Project description

The IRFSS of Brest is a healthcare training institute for nurses, assistant nurses, childcare assistants and medical secretaries.

The volunteer will be entrusted with several missions in collaboration with the head of the Documentary Resource Center and the members of the international division:

Documentary Resource Center:

- To assist the manager in her mission of welcoming users
- To promote the DRC's latest additions and the documentary video collection

International Office:

- To help set up the Erasmus days and the international day.
- To set up an exhibition on the European week.
- To organize workshops in order to help with CV and cover letter writing.
- To set up a specific day dedicated to the volunteer's country.
- To organize a language club according to the mother tongue within the IRFSS.

Education:

- To be a support to the referent « Simulation in health » to embody a patient of foreign culture and thus to set up a scenario of care situations.

Animation of student life:

- To work in collaboration with the local unit of the French Red Cross to set up a "vestiboutique" and a "digousterie" within the institute: the aim is to help students with financial difficulties by allowing them to buy clothes at low prices. The "digousterie" gives new life to unused objects that are made available free of charge to the students.
- To accompany the students and mainly the students' association in calls for projects.

OSR - Organisation Social Responsibility:

- To facilitate eco-responsible workshops for students and employees
- To lead games on sustainable development (game of the 7 actions created by the French Red Cross)
- To work with the OSR group on a project to clean up a beach in collaboration with an institution for people with disabilities and a European University

ESC volunteering project in a healthcare training institute 2022/2023

Volunteer's profile

We are looking for 1 volunteer, from 18' up to 30'. Basic skills in French are requested as well as competencies like adaptability, flexibility, organisation/communication skills, creativity, sense of initiative. Besides, we need volunteers with a good knowledge of IT tools to make posters, flyers... The volunteer must have the willingness **to work with young people** and to prepare activities with/for them. Besides, the volunteer must be ready to go out of his/her comfort zone to create a link with pupils. **Most importantly, he/she must be able to help to handle a group with dynamism.**

Accommodation, food and transport arrangements

The volunteer will be accommodated in Brest in a studio flat in a youth accommodation centre in the city centre.

Food: we give each month 220 € for all food expenditures but it's also possible to have meals at work.

Transports: we will give a monthly subscription for the bus network.

Trainings during the project

- Pre-departure training (PDT): organised by his/her sending organisation
- On-arrival training (OAT): organised by the French National Agency
- Mid-term training (MTT): organised by the French National Agency
- Final evaluation: organised by his/her sending organisation

Besides, during his/her EVS the volunteer will get:

- a task-support mentor
- a personal mentor

How to apply

Candidates have to send their application (CV + motivation letter) to Yohanna Florin at yohanna.florin@bij-brest.org

Please write down the project title in your email object (we have been recruiting for several projects).

There's no deadline, the recruitment is on the go !

Warning!

We won't take into consideration general application letters sent to dozens of projects.
