# WELCOME TO FUNDACIÓ TALLERS!

This document is an Info Pack for the volunteers who will start a volunteer project in the framework of the European Solidarity Corps coordinated and hosted by Fundació Tallers. Here you will find useful information about Fundació Tallers and about the Teixint Vincles project.

## WHAT IS FUNDACIÓ TALLERS?

Fundació Tallers was founded in 1988 to respond to the employment needs of people with disabilities. Currently our mission is “to generate social and employment opportunities for people with disabilities through appropriate support to develop their life project, to be full citizens and to promote their contribution to the community”.

We were doing volunteering projects for six years with the idea of promoting a more inclusive and equal society. We aim to give opportunities to Spanish and European youth to develop themselves.

Have a look at our Facebook and Instagram pages to get more information about our organization.

# ¡HABLAMOS ESPAÑOL! ¡PARLEM CATALÀ!

In Santa Coloma de Gramenet, the place where we are located, there are two co-official languages: CATALAN and SPANISH.

During your stay in Santa Coloma, you can try to learn Catalan. Have a look at this website, where you can find information about courses:

<https://www.gramenet.cat/es/ayuntamiento/areas-municipales/cnl-lheura/cursos-de-catalan/>

¡We will be glad to help you to participate!

The Erasmus + Online Linguistic Support (OLS) is also a tool that you can use to learn Spanish and other languages 😊
