

# ECO- TOGETHER

**YOUTH EXCHANGE IN CYPRUS**

**FROM 1. 9 . 2022 TO 7. 9. 2022**

# THE ORGANIZERS

YEU Cyprus stands for Youth for Exchange and Understanding Cyprus and it is a nonpolitical, non governmental organization (NGO) based in Nicosia, Cyprus. Since 1995, the aim of YEU is to foster closer co-operation and better understanding among youngsters through the exchange of experiences and ideas.

It is one of the biggest youth organizations in Cyprus numbering more than 1000 members and is considered one of the most active organizations of the island, realizing several activities both on an international and local level.

## CONTACT INFORMATION

 Address: 27 Ezekia Papaioannou, 1075 Nicosia

# DESCRIPTION OF THE PROJECT

We have chosen an environmentally sustainable topic which has no borders and focuses on the 4R's:

**REDUCE, REUSE, RECYCLE AND RECOVER.**

Youth will work together to gain knowledge on the effects of leading a non-sustainable lifestyle. Participants will share how they deal with sustainability in their home countries through the added benefit of being part of an intercultural environment. Intercultural dialogue and communication will be approached through an environmental theme and the thematic area of multi-communal societies and division.

**TOPICS:**  
**Prevention of conflicts,**  
**Post-conflict rehabilitation,**  
**Environment and climate change**  
**European identity,**  
**Citizenship and values**

## OBJECTIVES OF THE PROJECT

\*Spot the differences and the similarities between the cultures & enhance in this way the creation of a common European identity to reduce their fears towards each other.

\*Empower young people to become active change makers in a more environmentally friendly and sustainable Europe.

\*Provide young people with the knowledge and information to understand the challenges of reaching a sustainable Europe.

\*Raise the need of awareness, that only through transcultural cooperation we could provide a solution to the global crisis of climate change.

\*Explore and develop non-formal education methods and techniques.

# LEARNING OUTCOMES

## You will learn how to:

- Work with non-formal education.
- Explore different ways of fighting contamination and climate change, due to excessive use of plastic.
- Develop a sense of entrepreneurship & culture the ability to be innovative, by learning about eco-activism and green-entrepreneurship.
- Become a more conscious and ethical consumer by improving your use of product consumption through learning about the 4 R's.
- Get to know the history of specific countries, divided communities and visible and invisible borders.
- Be aware of the effectiveness of intergroup contact to reduce fears and skepticism.
- Decrease prejudices and manifested thoughts about other communities.
- Turn into a more active citizen in your society on a long-term basis.
- Become more empathetic and proactive through the exchange of ideas and practices with other participants by changing and reflecting on their point of view.

## ACCOMODATION

 Camping site of Dymes.

The venue is equipped with shared dorms, a kitchen, a training room and a big yard. It is located very close to a pharmacy, a mini market and the Youth Center of Dymes where we will have lunch and dinner most of the days of the YE. Dymes provides a calm environment, making it easier for participants to relax, rediscover their values and self-reflect. It also provides a direct contact of our participants with nature.
