COMMON TO PROJECTS

The volunteers will have the opportunity to work together on projects in the BIJ youth information center. They will participate in various workshops/events in order to promote the European Solidarity Corps (Café Globe-Trotter, En route pour le monde Festival, Erasmus Days, etc..)

Volunteers will have access to the online linguistic support and might participate in french lessons for the first three months, depending on their level.

Each volunteer will have a local bus card and may have a bike.

SAINT LOUIS HIGH SCHOOL

30 september 2022 / 30 june 2023

Saint-Louis High School is an educational institution taking 1060 high school students from 15 to 18 years of age. The volunteer will be integrated into the teaching teams and the school life service according to his/her interests and the team's needs (event, animation, innovative idea). Volunteer may develop:

- Activities -> organization of exhibitions, cultural and artistic visits, workshops on the issue of health, sustainable development, culture, languages etc..for the high school students
- Leading of workshops for foreign pupils of the school
- Implementation of mutual assistance between high school students and students
- Assistance to students in difficulty according to their disciplinary skills.
- Organisation of collective projects with the volunteer from La Paix High School

NOTRE DAME DE LA PAIX HIGH SCHOOL

30 september 2022 / 30 june 2023

Notre Dame de la Paix High-School is an educational institution taking 650 students for 15 to 18 years old and situated in Lorient Agglomération. The volunteer will be integrated into the teaching teams and the school life service according to his/her interests and the team's needs (event, animation, innovative idea). Volunteer may develop:

- Activities -> organization of exhibitions, cultural and artistic visits, workshops on the issue of health, sustainable development, culture, languages etc..for the high school students
- Leading of workshops for foreign pupils of the school
- Implementation of mutual assistance between high school students and students
- Assistance to students in difficulty according to their disciplinary skills
- Organisation of collective projects with the volunteer from St Louis High School

SAINT JOSEPH AND SAINT CHRISTOPHE SCHOOLS

30 september 2022 / 6 july 2023

St Joseph High School is part of the first teaching network in the world, founded in the late 17th century, the Lasallian network. 1500 schools, 82 countries. In Lorient, the school group consists of a primary school (St Christophe) and a secondary school (St Joseph). The project will take place in both schools and the volunteer will be integrated into the teaching teams and the school life service according to his (her) interest and the team's needs (event, animation, innovative idea).

Volunteer may develop :

- Promotion of the european volunteering and erasmus+ programs
- Organisation of linguistic & cultural workshops and activities for the primary school children
- Support in the daily tasks in the primary school (supervision, games etc..)
- Participation in the cultural visits and outdoor activities
- Support in the implementation of an etwinning project between european schools
- Activities -> organization of cultural projects with the school documentalists
- Follow-up of the mobility projects with the international coordinator for students

YOUTH INFORMATION CENTER – BIJ DE LORIENT

30 september 2022/ 30 june 2023 - Youth information and media

The ESC will take place in the Youth Information Center of Lorient.

The volunteer will participate in the various usual projects of the BIJ, but his/her mission will mostly concern the international/european sector. In line with his/her interest and motivations, the volunteer will :

- Participate in the organization of events on the theme of international mobility (En route pour le monde festival, travel Cafés..)
- Use social medias to communicate ,produce resources and video spots on the activities of the YIC
- Participate in the promotion of the ESC, European citizenship and mobility
- Provide support to youth willing to participate in the ESC program
- Animation of international mobility awareness workshops
- Organise monthly linguistic cafés "Happy talk" with a local volunteer
- Organise "green activities" directed to local youth in order to raise awareness on the sustainable development issue

MISSION LOCALE DE LORIENT

30 september 2022 / 30 june 2023 - Youth mobility and inclusion ambassador

The ESC will take place in the Mission Locale of Lorient. Volunteer will work with the international mobility referent. The organisation aims to support young people aged 16-25 in their access to autonomy and employment. Volunteer will participate in :

- Contribution to the reception and information of young people who contact the organization and promotion of initiatives
- Contribution to the organization and animation of events (Festival En route pour le monde, Summer Jobs Forum, Jobs Cafés)
- Contribution to the animation of language workshops, in support of the approaches of young migrants
- Animation of international mobility awareness workshops
- Support in preparation of mobility projects for local youth, promotion of their experiences through articles, testimonies, exhibitions etc..
- Contribution to the actions of the Local Mission and to the animation of collective actions on the Youth engagement contract system (sustainable development, employment, integration, volunteering, international, etc. depending on the volunteer's interests)

RÉSIDENCE LES GRANDS LARGES

30 september 2022 / 30 june 2023 - Youth mobility and inclusion ambassador

The ESC will take place in Les Grands Larges residence which hosts young people aged 16 to 30 (110 young people). The actions are driven by 2 important vocations, sustainable development awareness and the link between generations. With the animation team, the volunteer will participate in various activities (with 2 working evenings/week)

-Implementation of actions to raise awareness among young people about sustainable development (sorting of waste in housing, responsible consumption, soft mobility, energy savings, responsible food)

This theme will represent the main topic of the mission

The volunteer will also have the opportunity to develop individual projects according to their interests :

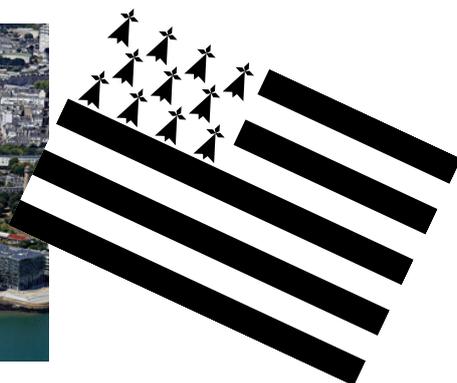

- World cuisine workshops & cultural discoveries,
- Thematic evenings,
- Exhibitions, creation of digital media (Video, Photo etc.)
- Promotion of international mobility & European citizenship awareness

ABOUT THE CITY - LORIENT 😊

Lorient is a city of 57 000 inhabitants, situated in the western part of France, in the Brittany region. This region has its own unofficial language called Breton. In general, people are really proud to come from this region, there is a strong cultural identity which creates a good atmosphere.

Because Lorient is a city near the sea, the weather can change quickly and be rainy. However, you can appreciate it under every conditions

Over here !
